

PATENT APPLICATIONS

PROVISIONAL UTILITY PATENT APPLICATIONS

\$ 199 +

Temporary for 12 months, for a product or method and how it works, then decide to convert to a non-provisional utility patent app.

NONPROVISIONAL UTILITY PATENT APPLICATIONS

\$ 3300 +

Apply to protect how your invention works and its components. 20 years of protection, if approved.

NONPROVISIONAL DESIGN PATENT APPLICATIONS

\$ 990 +

Apply to protect the exterior design and shape of your invention for 15 years. Does not protect how the invention works, just the shape. Often used side by side with a non-provisional utility patent application to protect both how an invention works and how it looks.

BUSINESS & MARKETING

BUSINESS PLAN

\$ 600 +

How your business plans to run and make money. To pitch to prospective investors, lenders, partners.

MARKETING CAMPAIGN

\$ 400 +

We'll find companies that may be interested in buying or licensing your patent application and send them a cover letter on your behalf to solicit their interest. Must have a patent application already filed.

TRADEMARK

TRADEMARK APPLICATION

\$ 500 +

Apply to protect your company or product name, logo, or slogan.
